To: [Civil Aviation Authority of the State of Design]
[Address]

**Subject:** Registration of [aircraft type/model] in [State] – Access to Mandatory Continuing Airworthiness Information (MCAI)

Dear Sir or Madam,

Pursuant to Annex 8 to the Convention on International Civil Aviation, Part II, Chapter 4, [AAC], as the civil aviation authority of the State of Registry, wishes to inform you that an aircraft of type [type/model], serial number [MSN], for which your Authority is the State of Design, [has been / will be] entered on the [State] civil aircraft register under registration marks [XX-XXX].

We would be grateful if you could indicate the means by which your Authority makes available the mandatory continuing airworthiness information (airworthiness directives and other MCAI) applicable to this aircraft, its engines and propellers, and include [AAC] in your distribution, at the following address: [official e-mail address of the Airworthiness Division].

[AAC] will in turn transmit to your Authority any information on faults, malfunctions, defects and other occurrences that might adversely affect the continuing airworthiness of this aircraft type.

Yours faithfully,

[Président du conseil d'administration / Directeur général]
